## NMD PROGRAMS & PROJECTS

2021 is an exciting year for Nairm Marr Djambana. As informed in the last month's Newsletter, regarding the infrastructure funding, we were also successful in additional funding on COVID 19 Recovery and Response as well as under the Community Relief Fund.

Apart from our regular men's, women's, youth, kirrup and cooking workshops we will also be running 2 additional youth programs, elders project and a light festival.
